PRESIDENT'S
COMMISSION ON WHITE HOUSE FELLOWSHIPS
THE WHITE HOUSE

August 5, 1985

Dear Mr. Casey:

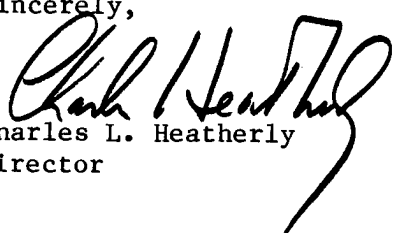

I want to express my thanks to you for your interest in and support of the White House Fellowships program during the recent placement interview process for the 1985-86 class of Fellows. You and your staff were most cooperative.

I regret that it was not possible to accommodate your preference concerning the placement of a new Fellow. Since there were only fourteen Fellows selected for the year beginning September 1 and there were more than 35 placement possibilities, most departments and agencies that were interested in having a Fellow did not get one.

Although the interview process is time-consuming and frustrating at times for both agencies and Fellows, I believe the value of offering maximum choice to the new Fellows justifies the cost. I hope you agree and that you will participate with us again next year.

Again, many thanks for your interest and support.

Sincerely,

Charles L. Heatherly

FELLOWSHIPS

Have talked to a variety of
DO Offices abt. W.H. Fellow
assignments. The prevailing thought
is that this is a good concept but
not one easily applied in the DO.
Cover, the short stint assignment
and other "operational" considerations
lead me to say no DO interest.

Have even considered potential
for one of our staffs but believe
these Fellows would be better
served elsewhere in CIA.

PRESIDENT'S
COMMISSION ON WHITE HOUSE FELLOWSHIPS
THE WHITE HOUSE

ER

April 15, 1985

Dear Mr. Casey:

On May 19, 1985, a new group of 13-19 White House Fellows will be selected by the President's Commission on White House Fellowships. You will receive the biographical files on these new Fellows on or about May 24. It is my hope that you will be interested in interviewing some of the new Fellows during the week of June 17 when they return to Washington for placement interviews. Their twelve month Fellowship appointment begins September 1.

The work assignment of the White House Fellow--with its unique opportunities to learn, contribute and observe--is the focus of the White House Fellowships program. All other aspects of the program are secondary to the work assignment. As part of the Fellows' education program, seminars are scheduled (usually at lunch time or in the evening) on a regular basis and occasional field trips are organized as well. However, the Fellows' work assignments take priority and nothing should interfere with a Fellow participating as a full and productive member of your staff.

President Reagan is the fifth President since 1964 to endorse the program. He emphasized his strong support of the program most recently at the 20th Alumni Reunion on May 10, 1984. Enclosed is a list of the White House Fellows who have served in the Reagan Administration and also a list of former Fellows who have served in the Administration following their Fellowship experience.

I hope you will consider selecting a Fellow for the Fellowship year beginning September 1. Please advise me of the name of your staff assistant who will schedule the interviews with your office and assist us in matching your needs to the interests and qualifications of the Fellows. I will then give that individual a set of files on the new Fellows after the new class has been announced the week of May 20. Of course, I would be pleased to meet with you or your staff to discuss the candidates or any aspect of the program.

I look forward to hearing from you.

Sincerely,

Charles L. Heatherly
